

CSKT COMMUNITY SAFETY ACTION PLAN

OPEN HOUSE

Tuesday, March 4 from 4 to 7 p.m.
Polson High School
1712 2nd St. West
Polson, MT 59860

Please join us for a second open house event to learn more about the Community Safety Action Plan (SAP) project and the recommendations to improve roadway safety throughout the Flathead Reservation.

We gathered community feedback and identified areas of concern at our first open house in November 2024. We are currently seeking public input regarding the safety recommendations identified by the team. The public is invited to come learn about the project, ask questions, and provide feedback.

Attendees are welcome to stop by any time during the event, as no formal presentation will be given. The event will be family-friendly with an activity for children. All are welcome to attend.
